NAGPUR, SEPT. 24

Capitol Heights, a premium mixed-development project in Nagpur by Tata Realty And Infrastructure Ltd has achieved another milestone by bagging 7 star CRISIL rating.

Real Estate head of Tata Realty and Infrastructure Limited, Abhijeet Maheshwari told mediapersons on Thursday that these ratings by Crisil were awarded following specific all-round assessment of real estate projects that help buyers identify quality projects within their city.

The seven star rating also confirms that Capitol Heights residences encompass green technology initiatives like recycling of waste water, use of solar power, unique star shaped design for maximum natural light and ventilation and optimum utilisation of power.

The other amenities at Capitol Heights include unparalleled standards of luxury with innovative amenities like dedicated
